The Danasasana document flagged P is dated 16.11.1918. The endowment was accepted by G.O. of 10th April 1913 & it directed an agreement being taken as required by Rule IV of the Charitable Endowment Rules - It is also clear from the letter of 5th Sept 1913 from the Supdt of Stamps that such an agreement was taken - It is this agreement that is refd to in the Hon Com's letter of 11th May 1933 and not the gift deed of 16.11.1918. I do not see either copy of the agreement or its original among the papers sent It may kindly be obtained & put up for refce.

No.1 "C O P Y"

I am glad to learn that a Vokkaliga Hostel has just been opened here through the generosity of the Jain Association, who have placed a building at their disposal for their use. It is a fine example of inter-communal Co-operation. I wish the Hostel every success.

(Sd) A.R. Kadia,
9th July 1932.

No.2

I am extremly happy to find that a X Vokkaliga Hostel has been opened just after the reopening of the School after the summer vocation. There are 13 Vokkaligar Stdent Boarders, and all of them looked neat and smart, the building was very neatly kept, and the students looked quite cheerful. It is, I understand, maintained by the Vokkaligars, who make monthly contributions towards the expenses. This was an urgent need, and I am very much pleased to testify to the good and selfless work of Mr. Narasimha Murthy, Head-Master of the Local Middle School who has started the institution, and puts heart and soul into the work. I wish him every success in his laudable endevours.

No. 3.

For some time past, the need for the Hostel for the sake of those Middle School boys who live at a distance from Sravanabelagola had been keenly felt. At the beginning of this year with great tact and resourcefulness Mr. Narasimhamurthy, Head-Master of the local Middle School was able to start the present Vokkaligar Hostel. His attempt and the success that he has achieved in this direction are hig[illegible]

highly appreciable.

There are at present 13 Vokkaligar boys in this Hostel, almost all of whom come from Kothenaghatta a village 1½ miles from Sravanabelagola. They pay their own way and one or two Jain gentlemen are taking some interest, and rendering some help. It up to the public of Sravanabelagola and the sarounding villages t shoulder the responsibility and put this Hostel in a sound financial basis and also see tha the institution has a decent buildin of its own. any more students are likely to join if there is better accomodation.

SIR,

With reference to your Official Memorandum No.781/Muz. dated 14/15-11-32 calling for a report on the petition of Mr. Putte Gowda of Kothanaghatta village, Channarayapatna Taluk, requesting permission to transfer a portion of interest on his father's endowment and also a piece of land intended for feeding travellers at the local chattram for the benefit of the students of the Vokkaligara Hostel at Sravanabelagola, I have the honor to forward herewith a copy of the letter No.C.803-32 dated 6-3-33 together with the connected records received from the Deputy Commissioner. Hassan District, and to state as follows:-

2. The petitioner's father, Mr. Lakka Setty Gowda offered a deposi of Rs 4,500/- together with certain lands as an endowment for the up-keep of a temple and for feeding travellers at the Chattram both built by him at Kothanaghatta village and the offer was accepted in Government proceedings No.1477-80/Muz.517-08-8 dated 10th April 1915 The donor was conducting the charities during is life time and after his death his son has been conducting them. He requests permission to transfer the interest accruing on P 2000/- out of the above endowment of P 4,500/- and also the income from the land S.No. 101 wet of Bediganahalli measuring 1acre 34 guntas and assessed at Rs10/- to be utilised for the benefit of the students of the Vokkaligara Hostel at Sravanabelagola on the ground that very few traveller resort to the chattram owing to present day conveniences of travell

travelling by buses and most of those who actually resort thereto are undeserving and lazy people. The Amildar and the Sub Division Officer recommend the compliance with this request, but the Deputy Commissioner doubts the propriety of diverting the funds from the original intention of the donor and requests that such orders as may be deemed fit may be passed.

3. Rule IV(b) of the Rules framed for the acceptance of Charitable deposits and the document to be executed on this behalf bind the donors and their heirs not to use or apply the interest payable on the deposit for any purpose other than the object stipulated except with the previous assent and approval of Government. There is much force in the petitioner's present request and I am of opinion that a feeding 'mattram is now out of date. At the same time, it seems to be necessary to make sure that the funds are diverted to a charity which might be presumed to be in consonance with the wishes of the donor. I request that the opinion of the Law Department may kindly be obtained with reference to the terms of A g r e e m e n t executed by the late donor and further orders communicated to me whether the request of the petitioner may be complied with.

I have the honor to be,

Sir,

Your most obedient servant,

Muzrai Commissioner.

Letter No.C.803-32 dated 6-3-33 from the Deputy Commissioner, Hassan District, to the Muzrai Commissioner in Mysore.

Subject:- Re: transferring a portion of the income out of the endowment of lat Mr. Lakkasettigowda of Kotnaghatta village, Sravanabelagola Hobli Chennarayapatna Taluk, for the benefit of the Vakkaligar's Hostel at Sravanabelagola.

With reference to your official memorandum No.518/32-33 dated 21st/23rd November 1932 on the above subject, I have the honor to forward herewith the records ending with the Hassan Sub Division Officer's report No.C3-1846-32 date 26th February 1933 and to state as follows:-

One Mr. Lakkasettigowda, the father of the petitioner built on land S.No. 106 of Kothanaghatta village, a temple of 9 ankanams and installed the idols of Eswara, Parvathi, Ganapathi, Basavanna, Chandikeswara and Narayanaswami and also constructed a chattram for the use of the travellers and proposing to fee ten travellers daily. He endowed the undermentioned lands for the up-keep of these ~~lands~~ institutions and deposited R 4500/- with Government praying for the acceptance of the same as an endowment for the proposed charitable purposes.

Village.	S.No. and Kind.		Area. a. g.	Assessment.
Kothanaghatta.	106	Dry	0-38	R 1-0-0
	74	"	3- 0	" 3-0-0
	35	Pagavet	0-13	" 1-4-0
Pediganahalli	101	Wet	1-34	" 10-0-0

The Government duly accepted the endowment in their order No.1477-80/Muz. 517-08-8 dated 10th April 1913 and allowed the affairs for being managed by the donor himself.

This donor is no more now and his son, the petitioner, is managing the affairs. According to the latter's petition, he prays for permission to ~~utilise~~ utilise the interest on R 2000/- and the income from wet land S.No.101 of Pediganahalli village for the benefit of the Vakkaligar Hostel at Sravanabelagola. As the Government is allowing interest at 5% on charitable deposits, the annual income from interest on R 2000/- will be R 100/- but the income from the land is not furnished.

The petitioner now states that owing to the present day motor traffic, no travellers who are really in need of food are going over to the chattram at Kothanaghatta and that it is only undeserving lazy people that are going over there and that in order to fulfill the intention of his late father he has arranged for utilizing the amount meant for the feeding of travellers in the chattram for feeding the students in the Hostel. Both the Amildar and the Sub Division Officer recommend that the interest on the sum of R 2000/- and the ~~Wet land~~ etc.

wet land S.No.101 of Pedlganahalli village may be transferred for the purpose of feeding the students of the Vakkaligars' Hostel as prayed for by the petitioner.

Since the original donor is dead, I am not sure, whether the Government, as trustee, can divert the funds from the original intentions of the donor, and I, therefore, request you to kindly pass such orders as you may deem fit.

The petition with its five enclosures is also returned as desired.
